## ACUMEN PARTNERS

Changing the way the world tackles poverty requires all of us. When you give to Acumen, you become more than just a donor—you become our partner in solving society's toughest challenges.

### WHAT IT MEANS TO BE A PARTNER

Our Partners share our commitment to standing with the poor and our vision of building a world based on dignity. Like us, they believe in the power of innovation to catalyze solutions that enable the poor to transform their lives.

As an Acumen Partner, you join our global community of individuals, entrepreneurs, corporations and foundations dedicated to eradicating poverty. The deeper the engagement, the greater the impact we can make together.
